Online board kyun

Sadak pe dukaan ki pehchaan board hai. Online, wahi kaam Google Business Profile karta hai: naam, photo, timing, call button aur reviews. Naya customer phone pe dhoondhta hai, aur wahan aap nahi dikhte toh woh agli dukaan ko call karta hai.

10 steps (sab free)

- [ ] **1 Profile kholo**
  Google pe "Google Business Profile" search karo ya business.google.com kholo, aur apne Google account se sign in karo.
- [ ] **2 Naam bilkul board wala**
  Wahi naam likho jo dukaan ke board pe hai. Extra keywords mat bharo (Google ke niyam ke khilaaf).
- [ ] **3 Sahi category**
  Sabse sateek primary category chuno, jaise "Sweet shop" ya "Beauty salon".
- [ ] **4 Location**
  Dukaan hai toh address aur map pin. Ghar jaake service dete ho toh service area chuno.
- [ ] **5 Phone aur website**
  Woh number jo sach mein uthta hai. Website hai toh link daalo.
- [ ] **6 Verify karo**
  Google jo option de: phone, email, video ya postcard. Verification ke bina profile poori tarah live nahi hoti.
- [ ] **7 Timing**
  Roz ka time daalo. Festival ke liye "special hours" alag se.
- [ ] **8 Asli photos**
  Bahar se (board dikhe), andar, products ya kaam, team. Stock photos nahi.
- [ ] **9 Description**
  750 characters tak: kya karte ho, kiske liye, kahan. Simple bhasha.
- [ ] **10 Products / services**
  Price ke saath add karo. Customer ko DM nahi karna padega.

✔ Google Business Profile bilkul free hai. Koi "verification fee" maange toh woh scam hai.
